

# A Shared Voice

Edited by Tom Mack and Andrew Geyer

*A Shared Voice* is a conversation in narrative by twenty-four of the finest fiction writers in America. A total of twenty-four tales, each linked to another by at least three literary elements such as character and setting and theme, make up this first-of-its-kind composite anthology by writers from Texas and the Carolinas. The short stories in *A Shared Voice* include twelve anchor tales—six by writers from Texas and six by writers from the Carolinas—and twelve original works of fiction written in response to the anchor narratives. The result is a rich and varicolored tapestry of voices by writers who have spent their lives weaving tales.
